BEAUJOLAIS NOUVEAU EST ARRIVÉ THURSDAY, NOVEMBER 21, 2024

Beaujolais Nouveau is made from the hand picked Gamay grapes grown in the Beaujolais region of France. The grapes are considered to be a benchmark for how the year's Pinot Noir Burgundy vintage will turn out. Bottled 6-8 weeks after harvest, it has very little tannin and is an excellent food wine- particularly for turkey!
